

## **VISIT TO NURSERY GARDENS KADIYAM, ANDHRAPRADESH.**

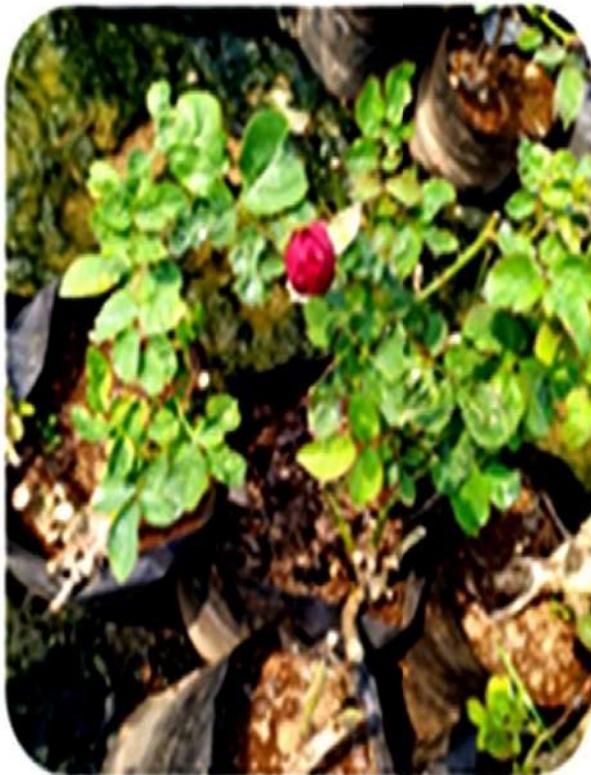

**[FEB-29-2020]**

Kadiyam is a place located in Rajahmundry, Andhrapradesh. About 800 nurseries are spread in 10,000 acres in 13 villages of kadiyam mandal in east Godavari. Farmers are doing good business and providing considerable employment to about 20,000 agriculture labour.

**HISTORY:** It is said that 125 years ago, a farmer named Chinna Rao started flower cultivation in this area. various varieties of flowering, fruit yielding ,ornamental plants etc .were grown. In recent years this sector gained popularity and got good profits.

Mostly traders from Bangalore, Mumbai, Goa and Gujarat place orders with the Kadiyam nurseries and, the plants from these nurseries are also exported to the Middle East and European countries..

A plant nursery is a place that sells plants, but it's not limited to just selling them. They will also provide advice on how to care for your plants and help you choose the right plant for your garden.They can even give you tips on what type of soil or fertilizer you should use in order to grow healthy plant. Kadiyam has an abundance of greenhouses and nurseries that sell a variety of plants, flowers, and trees.

Different varieties of plants available in kadiyam nurseries:
